# BIOGRAPHY

**JUSTINA LEE BROWN is an award-winning Nigerian Afro Funky Soul/Blues artist, Songwriter/Composer, and Entertainer.**

Although the Nigerian singer and her band have dominated all "Blues Challenges" for years, Blues reflects only one facet of her music. African and Caribbean influences, Gospel, Soul and R'n'B are also central to her charismatic performances.**

**Justina struggled to survival as a child and fought persistently with a lot of ambition and Perseverance through the big stages from Lagos to Europe. Shortly thereafter she released her first hit single "Omo2sexy". In doing so, she was the Best Female Nigerian Singer of the Year 2009. The success took her further into the limelight and brought Justina Lee Brown herself. She received the "Women-in-Entertainment"-Award 2009 in London (WIEA) as Best African Female Voice.**

But their persistence led to fruitful results: the album "Black and White Feeling", released in 2019, is highly praised by the press and the public. In the same year, Justina Lee Brown wins the Swiss Blues Challenge. In February 2020, the band travels to the 36th International Blues Challenge in Memphis, TN and almost scratches a sensation. Justina and band compete with 250 participating acts from around the world for the crown of Blues and make it to the semi-finals. In 2022, they were finally nominated for the finals of the 10th European Blues Challenge in Malmö. With a top performance Justina and band reach the sensational 2nd place among the 23 participating countries.**

**Justina Lee Brown is on a high. She convinces as a creative songwriter, as a heartily and highly talented singer with a phenomenal voice and as an energetic performer. Her concerts leave no one untouched, her explosive performances must be experienced live.**
